Spiritual Impact

Campers are invited to begin or renew their faith walk with Christ and grow in that relationship through cabin small groups, morning chapel, awesome worship with the camp band, prayer, and challenging guest speakers. Programming is designed by a team of youth and children's pastors dedicated to providing kids with a week of fun and personal growth.

Cabin Leaders

A cabin leader is assigned to every room. He/she becomes involved with students through daily discussion/prayer times and provides support as campers make new friends and become involved in camp activities.

Cabin leaders and all camp staff complete an application process, receive positive references and submit to a criminal background check.

Location

SLYC is sponsored at beautiful Spencer Lake Christian Center through Youth and Christian Education Ministries, a department of Wisconsin/No. Michigan Assemblies of God. The campground is located about four miles south of the town of Waupaca in central Wisconsin.

Health & Safety

SLYC has an excellent safety record enhanced by the following:

- Nutritious meals at camp dining hall
- Certified lifeguards for waterfront activities
- Background checks verified for all camp staff
- Cabin leaders provide oversight and support
- Health services on campgrounds 24/7 to tend to health complaints and dispense medication
